Alloy Yachts IRELANDA

Alloy Yachts IRELANDA

Built by the New Zealand shipyard Alloy Yachts in 1996, IRELANDA won the Showboats Award for Best Sailing Yacht under 36m at the time of her launch. Meticulously maintained ever since, IRELANDA is perfect for performance sailing, as

well as comfortable cruising. She features designs out of the prestigious Dutch studio Hoek Design, leading to a spacious interior and large deckhouse for comfortably travelling around the world.
